PROFESSIONAL PROFILE

A Seasoned Boilermaker with over 17 years' work experience.

Highly meticulous and reliable Boilermaker Welder with exceptional attention to detail and a superior work ethic. Adept multitasker able to address a number of simultaneous boilermaker maintenance and repair issues with accuracy and efficiency. Especially knowledgeable in safe and effective handling and repair for an array of potentially hazardous welding equipment. Possess a record of meeting deadlines, providing effective support and employment stability. Endowed with effective supervisory and leadership skills, coupled with experience and a rich exposure.

John believes in hard work, team-work and highly values honesty, as such has proved to be reliable in all portfolios

ACHIEVMENTS & LICENSES

- Received recognition for excellence and hard work.
- EIZ Member
- Forklift Operator
- Loader Operator

EDUCATION

Craft Certificate in Metal Fabrication

Grade 12 Certificate

WORK EXPERIENCE

NFC AFRICA MINING PLC AS A MINER (2005 TO 2010) WELDING SECTION FOREMAN (2010 TO DATE)

Key Performance Indicators:

- Boilermaking Welding Design and Fabrication Planning, Training, Continuous Improvement in Boilermaking Welding Procedures, Rigging and Ropes man Construction, Erection, Belt Splicing
- Conduct welding operations in overhead flat and vertical stances
- Adjusted rod amperage and speed to fix welding process problems.
- Used calipers and straightedges to align metal welding components
- Operated gas and shielded arc welding machines safely and efficiently.
- Transported heavy materials using forklifts and cranes
- Remove and replace steel structure on gas burn off platform.

- Review work orders and communicate with prior shift to assess work needs for the day.
- Consult welding chart specifications to select appropriate type and thickness of weld and metal.
- Responsible for achieving production requirements.
- Processed work orders and prioritized jobs.
- Cut, fit, and welded metal components including plate, tube, pipe, deck, and structural.
- Follow standards and procedures to maintain a safe work environment.
- Conduct routine quality audits to ensure that work is progressing per the specifications and initiate corrective actions.
- Avoid construction delays by efficiently following through with all site inspections in a timely manner.
- Follow blueprints to locate and mark reference points on boiler foundations, and then, using plumb bobs, straightedges and levels, align the sections to fit properly together.
- Operate cutting torches, hammers, files, and power grinders to smooth edges and weld pieces into place.
- Provided support in moving stock (equipment) using the Forklift

13 January 2023,

To The Human Resource

Dear Sir / Madam,

It is with great interest that I am forwarding my application for consideration as a Boilermaker Welder in your organization as per your advert. Combining my previous experience within customer-centered environments with strong interpersonal and communication abilities, I am confident that you will quickly realize my ability to make major contributions to your organization. Therefore, I ask you to consider the following in addition to my enclosed résumé:

- Possess a great work ethic and superb team skills and meticulous reliable boilermaker.
- Proven experience in welding section supervisor, overhead flat, belt splicing, vertical stances, forklift operating, follow blue print, cut, fit and maintain safe work environment.
- Ability to close work orders and strong relationship building.
- Significant experience operating cutting torches, hammers, files, and power grinders.
- Excellent communication and interpersonal skills; takes initiative in managing workshop and developing effective working relationships workmates.
- Ability to adapt quickly in new and changing business, social, and cultural environments.

My record of schoolwork and employment activities demonstrates attributes that make me a valuable employee. In all of my employment positions, I have maintained an excellent record of being on time, exceptional leader, prepared, and eager to take on new responsibilities.

My CV is enclosed to provide you with details of my skills and accomplishments, but I am certain that a personal interview would more fully reveal my desire and ability to contribute to your organization. Thank you for your time and consideration, and do not hesitate to contact me if you have any questions. I look forward to speaking with you soon.

Yours Faithfully,

John Phiri
