CAREER OBJECTIVE

Looking for a challenging role so that I can use my skills and capabilities through sincere dedication and hard work for successful career.

SKILLS

- Creativity.
- Responsibility.
- Time management.
- Salesforce admin & developer.

PROJECTS

- **Project Name : "Cognizant SBIT CRM"**

  Project details: These object storing and to access data.With this app easily organizing the administrat ive functionalities, higher productivity results. Here various users can track the different records to objectlevel, field level, Record level restrictions.

- **Project Name : " Smart Helmet"**

Project details: A smart helmet is a type of protective headgear used by the rider which makes bike driving safer than before. The main purpose of this helmet is to provide safety for the rider. This can be implemented by using advanced features like alcohol detection, accident identification, location tracking,use as a hands free device, fall detection.

- **Project Name : " Night Time Vehicle Detection Using Image Processing and Linear SVM "**

Project details: Night driving is one of the major factors which affects traffic safety. Although detecting oncoming vehicles at night time is a challenging task, it may improve traffic safety. If the oncoming vehicle is recognised in good time, this will motivate drivers to keep their eyes on the road . The purpose of this paper is to present an approach to detect vehicles at night based on the employment of a single onboard camera. This system is based on detecting vehicle headlights by recognising their shapes via an SVM classifier which was trained for this purpose.

ACADEMIC QUALIFICATIONS

DEGREE/ COURSE	INSTITUTION/ COLLEGE	UNIVERSITY/ BOARD	YEAR OF PASSING	PERCENTAGE/ CGPA
B.TECH (ECE)	SBIT,Khammam	JNTUH	2024	7.3
INTERMEDIATE (MPC)	Resonance Junior College,Khammam	TSBIE	2020	76%
SSC	JBM High School,Khammam	TSBSE	2018	8.0

TECHNICAL SEMINAR
- Inter Vehicle Communication (IVC).

TECHNICAL SKILLS
- HTML
- CSS
- JAVASCRIPT
- BOOTSTRAP

CERTIFICATIONS

- Certified in Cognizant foundation program tech4All.

- Certified in Interactive skills from infosys springboard.

- Digital certified AWS educate in getting started with computer (lab).
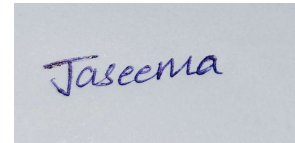

ACHIEVEMENTS

- Digital badge in AWS educate getting started with compute.

- Salesforce admin & developer.

AREA OF INTERESTS

- Learning programming languages.

DECLARATION

I here by declare that all the above information is true to best of my knowledge.
